LETTER FROM THE PRESIDENT

Welcome to Centennial College! We are happy to have you here, and we are looking forward to being a part of your Centennial journey.

At your Centennial College Student Association Inc. (CCSAI), enhancing your college experience is the heart of our mission. I encourage each and every student to get involved. Join or start a club, participate in workshops and leadership programs, and try activities that ignite your passions. Make your voices heard, shape the campus culture, and contribute to an unforgettable student experience. By getting involved, you'll not only make a difference, but you'll also create memories that will last a lifetime.

I want to emphasize that our student services are here to support you throughout your academic journey. If you need guidance, have questions, or require assistance, please don't hesitate to reach out to myself or one of our dedicated Board Members. We are here to listen and advocate for you.

One of our core values as your Student Association is embracing diversity, equity, and inclusion. We recognize the unique perspectives and experiences that each student brings. We celebrate our differences and understand that diversity is the cornerstone of a thriving educational environment. This year, our focus is on fostering an even more inclusive community that embraces the richness of our collective backgrounds, cultures, and identities.

Let us embark on this academic year together by creating connections, addressing the challenges we face, and paving the way for a brighter future.

With great anticipation and enthusiasm,

Ajané Adams

CCSAI President

YOUR STUDENT VOICE

We are the Centennial College Student Association Incorporated, a.k.a. your Student Association! We are a non-profit organization led by our student-appointed Board of Directors and supported by full-time and part-time staff. Our mission is to empower our students and enrich the college experience.

A modern office interior featuring a large, modular red sofa in the foreground. In the background, there are glass partitions, white columns, and fluorescent lighting. A large, dark blue circle is superimposed over the center of the image, containing the text "WHO WE ARE" in white, bold, sans-serif capital letters.

WHO WE ARE

ABOUT US

CCSAI offers various services, events, and engagement opportunities, from events to your student health plan, part-time jobs, and a food bank. We provide students with services and resources to help them succeed and enhance their journey at Centennial College.

BOARD OF DIRECTORS

A Board of elected and appointed student leaders governs the CCSAI. Their role is to represent students, give the organization direction, and decide how the budget is allocated. A student from each campus is elected to represent one of the five campuses.

Being on the Board of Directors is like having a part-time job but with extra training and experience in leadership development, networking and management. Annually between the Fall & Winter semester, elections are open. Students can run for any Vice-President position to represent their home campus.

Do you want to talk to your CCSAI Board of Directors or learn more about becoming one?

Visit **[CCSAI.ca/board-of-directors/](https://ccsai.ca/board-of-directors/)** to get in touch.

ADVOCATES

We provide student advocates to help you access support, resources and navigate the college systems. Advocates will listen to all your concerns, guide you through processes, and help you reach prompt solutions. When facing situations such as filing a grade appeal, dealing with plagiarism, or harassment on campus, our advocates can provide advice, support & empower students on their academic journey.

To contact a student advocate or to learn more about what advocates do, visit **[CCSAI.ca/Services/Advocacy](https://ccsai.ca/Services/Advocacy)**.

PART-TIME STAFF

As a student-led and student-focused organization, we are one of the largest employers of students on campus! A few of our paid positions include Content Creators, Street Team, Guest Services, and so much more! Part-time employment opportunities open up at different times of the year.

Check out **[CCSAI.ca/Jobs](https://ccsai.ca/jobs)** for job positions as opportunities arise.

ADVISING COUNCIL

CCSAI's Advising Council provides first-hand insight and perspectives of our diverse student voices. Council members bring unique points of view that frame and add to our data as we discuss student issues, implement campaigns, services & activities that positively impact students' experiences.

For more information, visit **[CCSAI.ca/Advising-Council](https://ccsai.ca/advising-council)**.

WHAT WE DO

The background image shows an outdoor community event. In the foreground, a person wearing a pink t-shirt and a pink turban is captured in a dynamic pose, possibly dancing or performing. Behind them, a crowd of people is gathered, some looking towards the camera. The scene is set on a paved area with trees and a building in the background. A large, semi-transparent red circle is centered over the image, containing the text 'WHAT WE DO' in white, bold, sans-serif capital letters. In the bottom left corner, there is a red table with several signs that read '3 STEPS TO START A CLUB' and a roll of yellow tape.

CLUBS

Clubs are your opportunity to enhance your student experience. By joining or starting a club, you can engage with other students, explore academic and non-academic interests, meet new like-minded people, and build a community. Can't find a club that fits you? We can help you start it.

Starting a club is a great way to enhance your leadership skills and positively impact the Centennial community!

Visit **[CCSAI.ca/Clubs](https://ccsai.ca/Clubs)** to see our complete list of clubs and get more information about starting your own.

EVENTS

Experience the best of campus life with incredible events and activities. These events range from social events and parties to cultural and community nights, health and wellness activations, and so much more to help enhance your college experience.

Visit **[CCSAI.ca/Events](https://ccsai.ca/Events)** and follow us on social media to stay updated on our upcoming events!

SERVICES

We offer a wide range of services to our students to enrich your time at Centennial. These services include legal advice, food bank, student advocacy, and more.

We encourage students to make the most of their time at Centennial and connect with us. Reach out to our representatives at CCSAI offices on your campus and get to know us.

Visit **CCSAI.ca/Services/Legal-Advice/** for more information and to make an appointment.

FOOD BANK

We know that access to food is a widespread concern for many Centennial College students. To help fight food insecurity on campus, we have partnered with Daily Bread Food Bank to open a new Food Bank at the Progress Campus to provide emergency food supplies to our student population.

For more information on how to access the Food Bank, visit **[CCSAI.ca/FoodBank](https://ccsai.ca/FoodBank)**

TRANSFORMING THE FUTURE

Every year the CCSAI pledges up to \$100,000 to support transforming the future of Centennial College. All you have to do is put together a proposal for an initiative that you feel will make a difference for years to come. We review all the submissions and fund the very best ideas. The opportunity is open to all Centennial College students.

For more information, visit **[CCSAI.ca/Services/TTF](https://ccsai.ca/Services/TTF)**

TAX HELP

In the spring, the CCSAI hosts an income tax clinic where students can have their taxes completed by an income tax professional for a small fee.

Look for announcements **[CCSAI.ca/Tax-Clinic](https://ccsai.ca/Tax-Clinic)** in March for details.
