LETTER FROM THE PRESIDENT

Welcome back to Centennial College!

It is with great excitement that I greet you all for another promising academic year. As I begin my second term as President of the Centennial College Student Association Inc. (CCSAI), I am thrilled to continue serving and advocating for all students within our vibrant college community.

At the CCSAI, our mission is to enhance your college experience in every possible way. We strive to create an inclusive environment where every student feels valued and supported. Equity, diversity, and inclusion are at the heart

of everything we do. We are committed to creating a campus where everyone, regardless of their background, feels a sense of belonging. I encourage each one of you to engage actively with our wide range of offerings. Whether it's joining or initiating a club, participating in workshops and leadership programs, or exploring activities aligned with your passions, your involvement not only enriches your own experience but also helps shape a dynamic and diverse campus culture.

Remember, our student services are here to support you throughout your academic journey. If you need guidance, have questions, or seek assistance, please reach out to me or any of our dedicated board members. We are committed to listening to your concerns and advocating for your needs.

As we embark on this journey together, I am particularly passionate about two key initiatives: combating food and housing insecurity and expanding mental health programming for our students. These are pressing issues that demand our attention, and I am dedicated to developing effective strategies and partnerships to address them.

Let's make this academic year one of connection, resilience, and progress. Together, we can overcome challenges and pave the way for a brighter and more inclusive future.

Warm regards,

Ajané Adams

CCSAI President

YOUR STUDENT VOICE

We are the Centennial College Student Association Incorporated (CCSAI), your student association! We are a non-profit organization led by our student-appointed Board of Directors and supported by full-time and part-time staff. Our mission is to empower our students and enhance your college experience.

At Centennial College Student Association Incorporated (CCSAI), we support and empower students throughout their journey at Centennial College. From events to emergency food bank access, we provide students with various services and programs to help them succeed and enhance their journey at Centennial.

BOARD OF DIRECTORS

Your student association's Board of Directors is a group of elected and appointed student leaders who govern the CCSAI. Their role is to represent students, give the organization direction, and decide how the budget is allocated. A student from each campus is elected to represent one of the five campuses and learning sites.

Connect with your Board of Directors at CCSAI.ca/Board-Central.

You can nominate yourself to join next year's Board of Directors!

Being on the Board of Directors is like having a part-time job but with extra training and experience in leadership development, networking and management. Nominations for the Board of Directors open on January 13, 2025. Election campaigning begins on March 3, 2025. You can learn more about joining the board at **CCSAI.ca/Elections.**

ADVOCATES

We provide student advocates to help you access support, resources and navigate the college systems. Advocates will listen to all your concerns, guide you through processes, and help you reach solutions. When facing situations such as filing a grade appeal, dealing with plagiarism, or harassment on campus, our advocates can provide advice and support to empower students on their academic journey.

To contact a student advocate or to learn more about what advocates do, visit **CCSAI.ca/Advocacy.**

PART-TIME STAFF

As a student-led and student-focused organization, we are one of the largest employers of students on campus! A few of our paid positions include Content Creators, Street Team, Guest Services, and so much more! Part-time employment opportunities open up at different times of the year.

Check out **CCSAI.ca/Jobs** for job positions as opportunities arise.

Clubs are your opportunity to enhance your student experience. By joining or starting a club, you can engage with other students, explore academic and non-academic interests, meet new likeminded people, and build a community. Can't find a club that fits you? We can help you start it.

Starting a club is a great way to enhance your leadership skills and positively impact the Centennial community!

Visit **CCSAI.ca/Clubs** to see our complete list of clubs and get more information about starting your own.

EVENTS

Experience the best of campus life with incredible events and activities. These events range from social events and parties to cultural and community nights, health and wellness activations, and so much more to help enhance your college experience.

Visit **CCSAI.ca/Events** and follow us on social media to stay updated on our upcoming events!

SERVICES

We offer students various services to enrich their time at Centennial. These services include legal advice, an emergency food bank, student advocacy, and more.

We want all students to make the most of their time at Centennial and feel supported on campus. Connect with us at our CCSAI offices. We're ready to help you discover all the resources available!

To learn more about our services, visit CCSAI.ca/Services.

The Union Grill at Progress Campus Student Centre is owned and operated by the CCSAI. This student-owned campus food service is managed by Centennial Alumni and staffed by Centennial students and recent graduates. We're known for our great food and great prices. Our menu reflects the tastes of our diverse community and meets many dietary restrictions.

For more information, visit UnionGrill.CCSAI.ca.

DOMESTIC HEALTH PLAN

Domestic students are covered by extended health care insurance through We Speak Student. The enhanced health plan includes prescription, dental and vision benefits coverage. We also provide a Student Assistance Program through WeConnect, which provides mental health resources, study support and more.

If an external health plan already covers you, you can opt out of the Health Plan Fee. Adding dependents or opting out is done online directly with We Speak Student. Visit www.WeSpeakStudent.com for more information.

Add Dependent and Opt-Out Deadlines**:

Fall Semester 2024 - October 11, 2024 @ 4:00pm

Winter Semester 2025 - February 7, 2025 @ 4:00pm

Summer Semester 2025 - June 6, 2025 @ 4:00pm

- * International students are covered under a different health plan. Visit www.guard.me/centennial to learn more.
- **Students may only opt out in the first semester of their academic year, with proof of existing, comparable coverage. Opt-outs remain in effect throughout the policy year (until the following September).

LEGAL ADVICE

The CCSAI offers free legal consultations for notary services, employment law and landlord issues, and more. Remember, they aren't available to represent you in court or otherwise, but they can point you in the right direction.

Visit CCSAI.ca/Legal-Services for more information and to make an appointment.

We know that access to food is a widespread concern for many students. To help fight food insecurity on campus, we partner with Daily Bread Food Bank to provide emergency food supplies to students in need at all campuses and learning sites.

For more information on how to access the Food Bank, visit **CCSAl.ca/Food-Bank**

TRANSFORMING THE FUTURE

Every year the CCSAI funds new projects to help transform the future of Centennial College. If you have an idea that you feel will make a difference for years to come at Centennial College, all you have to do is put together a proposal. We review all the submissions and fund the very best ideas. The opportunity is open to all Centennial College students.

For more information, visit CCSAI.ca/Transforming-The-Future/

TRANSIT SAVINGS

Full-time Centennial College students are eligible for student pricing on GO Transit services.

Visit CCSAI.ca/Transit/ for more details.

BURSARIES AND SCHOLARSHIPS

The CCSAI is the largest contributor to scholarships and bursaries at Centennial. Every year, dozens of eligible students receive scholarships from the CCSAI.

Make sure to fill out your Doorway to Dollars Questionnaire to take your first step toward bursaries and scholarships. Once you fill it out, you will receive notifications about the bursaries and scholarships you qualify for.

In the spring, the CCSAI hosts an income tax clinic where students can have their taxes completed for free by our CRA-trained volunteers or an income tax professional for a small fee.

Look for announcements at CCSAI.ca/Tax-Clinic in March for details.

GRADUATION PHOTOS

The CCSAI works with a service provider, Phoenix Professional Labs, to provide you with the opportunity to take your grad photos. They're on campus three times a year, so check out CCSALca/Events.
