Free transfers are valid for two hours for trips started on local transit and within three hours of the start of a GO Transit trip. The payment method used to tap and pay a fare is a customer's proof of payment. Riders approached for fare inspection will need to tap the card, phone or watch used on the inspection device. For trips connecting between TTC and GO Transit, the TTC component of the trip will become free, regardless of travel direction (cost of TTC trip is discounted from overall trip cost). For trips connecting between TTC and local transit systems, the second portion of the trip will become free (first payment will enable a two-hour free transfer across all systems).
